Volunteer Declaration of Intent

I, _____, intend to honor my commitment to serve for __ months with the Olancho Aid Foundation (OAF) of Juticalpa, Honduras. I have read in full the Volunteer Handbook and Safety Manual and agree to abide by all policies and protocols described there. I understand that my failure to abide by these guidelines could result in disciplinary action towards me, including but not limited to dismissal from the program. OAF reserves the sole right to determine violations of policies covered in the handbook and otherwise. I understand I must abide by OAF's decision.

OAF's financial investment in each long term volunteer is more than \$3,500. I understand that if I resign my position before the conclusion of my service, with OAF's consent, I agree to reimburse OAF \$200 for each remaining month of my contract, for the expenses it has or will incur for my early termination in the program.

I agree to follow these guidelines and I hereby bear witness that I am making this commitment freely and without reservation.
